**605002**-Elegant brick & vinyl 2 story located in popular Waterford Park on a large wooded lot. An open, airy 2 story foyer greets you as you enter this magnificent home. The marble fireplace, lighted, arched inset complement the unique design of the great room. The spacious master suite features a trayed ceiling, double whirlpool tub and skylight in the master bath. The spacious kitchen offers maple, multi-level cabinets with lighted island and plenty of counter space. A French door leads to a formal dining room perfect for entertaining. Patio doors lead to a covered porch with pillars and beautifully landscaped yard. This home also offers a convenient 1st floor laundry, office, in-ground sprinkler system, central vacuum and surround sound throughout the home. The 3 car attached garage is finished & there is a carpeted room in basement. This home has many upgraded features & decorative accents that you must see to appreciate. Call 920-490-0673 to view your new home.
